# OVERVIEW

---

The L-C-M programme goes beyond traditional classroom learning by providing participants with hands-on experience through practical moot court sessions. These sessions simulate real-life arbitration scenarios, allowing participants to apply their knowledge and skills in a realistic setting. Participants will have the opportunity to argue cases, draft submissions, and engage in oral advocacy exercises, receiving valuable feedback from experienced practitioners and mentors.

## OBJECTIVE

By enrolling in the programme, law students will gain a comprehensive understanding of the theoretical and practical aspects of arbitration advocacy. They will refine their legal research and writing skills, strengthen their ability to construct persuasive arguments and master the art of effective oral advocacy. The programme will also provide participants with exposure to the procedural intricacies of arbitration, including case management, evidence presentation, and cross-examination techniques.

## AUGUST 2023

# UNCITRAL MODEL LAW ON INTERNATIONAL COMMERCIAL ARBITRATION

- The International Commercial Arbitration Law lectures are designed to provide participants with a comprehensive understanding of the principles, procedures, and practices involved in international commercial arbitration. These lectures delve into the intricacies of this field, covering both theoretical and practical aspects.
- Throughout the course, participants will engage in weekly assignments that allow them to apply their knowledge to real-world scenarios. These assignments aim to enhance critical thinking and problem-solving skills, while also providing an opportunity to analyze and evaluate arbitration cases from various jurisdictions.
- To further enrich the learning experience, regular participant discussions with experts are organized. These discussions create a platform for participants to interact with leading professionals in the field, including experienced arbitrators, renowned academics, and prominent practitioners. Participants can engage in dynamic debates, ask questions, and gain insights from experts who have extensive practical knowledge of international commercial arbitration.
- A key focus of the course is to develop participants' research skills in arbitration. They will learn how to conduct effective and thorough research, utilizing various resources and databases specific to international commercial arbitration. Participants will gain proficiency in accessing and utilizing online databases that contain an extensive collection of arbitral awards, court decisions, legal publications, and other relevant materials.
- This knowledge will enable participants to stay up-to-date with the latest developments in arbitration law and facilitate their ability to contribute to the field. Furthermore, the course includes discussions on contemporary topics in international commercial arbitration. Participants will explore recent trends, emerging issues, and challenges faced by practitioners and arbitrators in the field. These discussions provide a broader perspective on the practical application of arbitration principles and allow participants to engage in critical analysis and debate.
- By the end of the lectures, participants will have acquired a comprehensive understanding of international commercial arbitration law, developed their research skills, and gained valuable insights into the latest trends and issues in the field. This knowledge and expertise will equip them to excel in their future careers as practitioners, academics, or researchers in the field of international commercial arbitration.

# ABOUT MEDIATEGURU

---

MediateGuru is a social initiative led by members across the globe. The aim of the organization is to build a bridge using which more law students can be encouraged to opt for ADR methods.

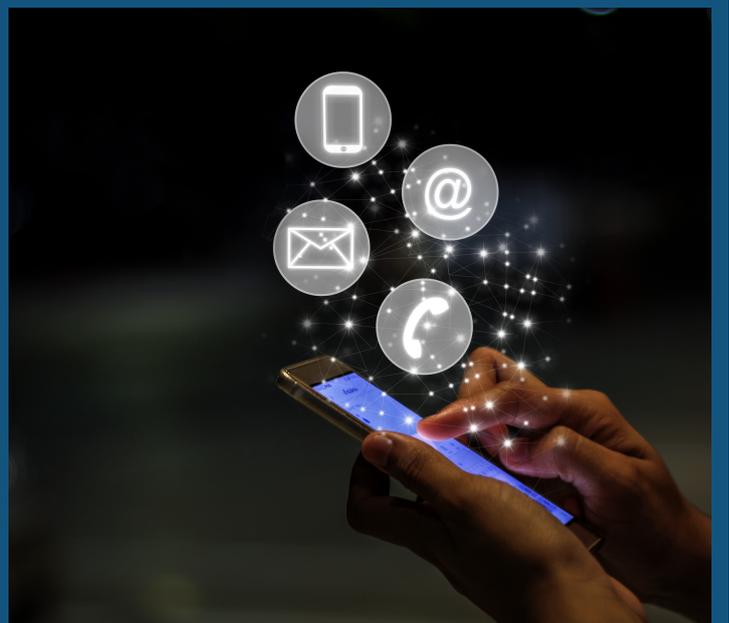

MediateGuru is creating a social awareness campaign for showcasing mediation as a future of alternative dispute resolution to provide ease to the judiciary by encouraging and empowering Law Professionals to take up the mantle of Mediation.

In the era of emerging legal disputes due to the high population which within its purview has different demographics, not all people can afford the high cost of going to court to seek justice or wait for years to get justice at the constant burden of monetary terms and time. Here we come to assist you. We intend to bridge the gap between the classes in a community and the mediators and provide a linkage between the same with an aim to provide social awareness. Apart from this, we all organize various conferences, training, webinars, and competitions.
